

# YEAR 7

## SUBJECT SELECTION GUIDE 2025

"Education is our passport to the future, for tomorrow  
belongs to the people who prepare for it today"

## Welcome!

Dear Parent/Guardian/Student,

*We acknowledge the Traditional Custodians of the land on which we live and attend school, the Barapa Barapa people. We pay our Respect to elders past, present and emerging, for they hold the memories, traditions and the culture of the Aboriginal and Torres Strait Islander peoples of Australia.*

Dear Parent/Guardian/Student,

## Welcome to Cohuna Secondary College.

Cohuna Secondary College is an outstanding example of educating young people in the public education system. We have 175 students and 35 fantastic staff, both teaching and non-teaching, who work tirelessly to ensure that we offer the most relevant and up to date education to our young people. *Our goal is to ensure that every student is given every opportunity to succeed no matter what their stage of learning and development.*

I am very fortunate to lead this great school; I get to work with an amazing group of young people who challenge us, engage with us, encourage us, and most of all, they are what makes teaching at Cohuna such a wonderfully rich and rewarding experience.

We pride ourselves on building strong relationships between staff, students and parents which goes very much to the core of who we are and is one of our many strengths.

My vision for the college continues to be one of success and ongoing improvement where:

- There are continued strong community links and positive working relationships;
- The development of student voice and engagement in learning, school and community is strong and valued;

- We continue to use current educational research to inform, plan and develop our practice to maximise the opportunities for student learning growth; and
- Our commitment to the students, our colleagues, our college and community is evident and celebrated.

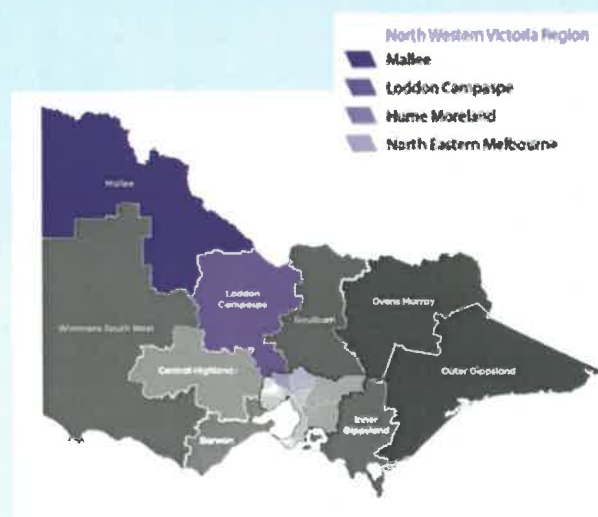

Our Pathways program caters for the diverse needs of our students. Our students are successful in gaining:

- VET qualifications;
- School Based Apprenticeships and Apprenticeships;
- Employment;
- Entry to TAFE; and
- Entry to University.

Academically our VCE results are second to none in the area. We are so proud of the achievements of our students. However, the work to get these outstanding results has been very strategic where we test, reflect, improve and continue to develop our teaching practice. Our staff go above and beyond to ensure that the opportunities and learning experiences of our young people, here at Cohuna Secondary College, are equal to or better than any school in bigger centres.

**CSC is an 'Influence' school 2023.**

**This is a really, really big deal!**

### What does Influence mean?

Our Performance “...in Overall Achievement and in the areas of Achievement in Reading and Numeracy and Senior Secondary education is high or very high. This level of performance has been maintained consistently over three years, or is on a positive improvement trajectory, with the school acting as an influencer and system leader.” (Information from the Department of Education School Performance Report document.)

The young people at our school are the beneficiaries of staff focus, commitment, pedagogical knowledge, and hard work to improve their learning outcomes. We are very blessed to have staff who are so fully engaged and committed to our students, college and community.

PERFORMANCE			
Overall	Achievement Reading	Achievement Numeracy	Senior Secondary
INFLUENCE	INFLUENCE	INFLUENCE	INFLUENCE

Of the 13 overall ‘Influence’ schools in our whole North-West Region (from Mildura to Coburg and in between) Cohuna Secondary College is the only school who has achieved ‘Influence’ in all four areas.

You can see by the map that our region is huge (on the map it is all the shades of purple). This is truly amazing and a testament to not only the fantastic staff, but your commitment to your young person’s education at Cohuna Secondary College, and to our young people who clearly are engaged in their learning and want to do well. We set high expectations, and clearly our young people strive to achieve!

Student Leadership takes many forms, and our leaders are not always members of the formalised student leadership structure of the college. Students step onto committees or pursue options because of a passion, an interest, or a willingness to contribute to our community.

The Student Voice and Leadership committee work with numerous community groups throughout the year. Some examples include initiating the Mother’s Day Classic event for Cohuna, regularly doing Meals on Wheels each month, as well as working with the Progress Association, district primary schools and on other community events as they arise.

All these opportunities develop student leadership and contribute to our community. After all, this is what being a member of our community is about!

Our students have access to a myriad of opportunities, including a variety of camps and excursions, incursions, athletics and swimming programs, cross country and winter and summer team sporting events. Our students sporting success regularly takes them beyond interschool to regional success and then onto state competition. A small school punching way above its weight both academically and sporting wise!

All of the above does not and cannot happen in isolation. We need to have the input of you, our parent community together with our student body, to work with us. We continue to develop strong teaching and learning partnerships and community links where students, staff and parents are integral to our success.

This is our school!

This is our community’s school!

We are proud members of Cohuna Secondary College. Come and join us, we want to share our learning journey with you!

***Excellamus: Let us excel!***

**Mrs Fiona Miller, Principal**

**Ms Sharon Payne, Assistant Principal**

**Mr Shannon Treacy, Year 7 Transition CoOrdinator**

# Our Story

## A little bit of history (Higher Education in Cohuna to 1955)

In January 1924 Cohuna State School 2502 was granted a Higher Elementary School status, and began with 69 students in classes F, E, D and C (later to become Forms 1, 11, 111 and IV) in two rooms of the school and elsewhere. 51 students were from the township, the rest came from the surrounding rural schools. The pavilion at the then adjoining Royal Park showgrounds was used as a classroom, even though a science room and staff room were added the following year. The opening of St Mary's Convent school in 1926 reduced the pressure slightly, although rooms in the Memoria Hall were still used. The pavilion was moved to the new Cohuna Recreation Reserve in 1935.

In June 1940, the "Red Brick Building", (all that remains of the original school) was opened. It contained four classrooms and an administration block, and once more relieved the pressure of overcrowding.

In 1948, after many public meetings held over the previous two years, it was decided to consolidate most of the small rural schools with Cohuna State School 2502, and so it became at that time the only Consolidated Higher Elementary School in Victoria. Schools at Dalton's Bridge, McMillans, Cohuna Estate, Gannawarra, Horfield and Burke's Bridge were closed, the buildings transported to the Cohuna school site and their pupils carried to school on a fleet of seven buses. Enrolment in 1951 was 353 primary and 143 secondary students. Some other district schools closed in following years and their pupils also transferred to Cohuna.

By 1953 overcrowding (which had been a continual problem since the schools' establishment in 1883) led the School Advisory Council to seek the establishment of a separate High School. After several public meetings and deputations to the Education Department, construction of the first stage, a light timber construction building, commenced on land at the other end of the oval adjoining the Consolidated School. Before the establishment of Cohuna High School education was only available to Intermediate Certificate at the Higher Elementary School.

In January 1955 High School status was granted, and the new building was occupied in May that year. Cohuna High School 7735, as a separate entity, was almost a reality!!

However, at the beginning of 1955 the building was not ready, and the staff and students of both schools had to cope with over-crowded conditions at the Consolidated School. The Library, corridors and shelter sheds were used as classrooms, and two senior classes were held in rooms at the Memorial Hall. Even after the 'big move' pupils continued to trek across the oval to the domestic arts and woodwork rooms and the canteen at the Consolidated School until the High School eventually obtained these facilities.

Both schools combined to make the 'rec' (either dusty or muddy, and we all then thought it was spelt 'wreck') which eventually would become the wonderful sporting facility it is today.

Enrolment				
1955	222	(94 boys and 128 girls)	2000	273
1960	343		2020	200
1970	480		2024	175
1980	536			
1990	374

<b>OUR VISION STATEMENT</b>	32

*Never stop learning, because life never stops teaching*

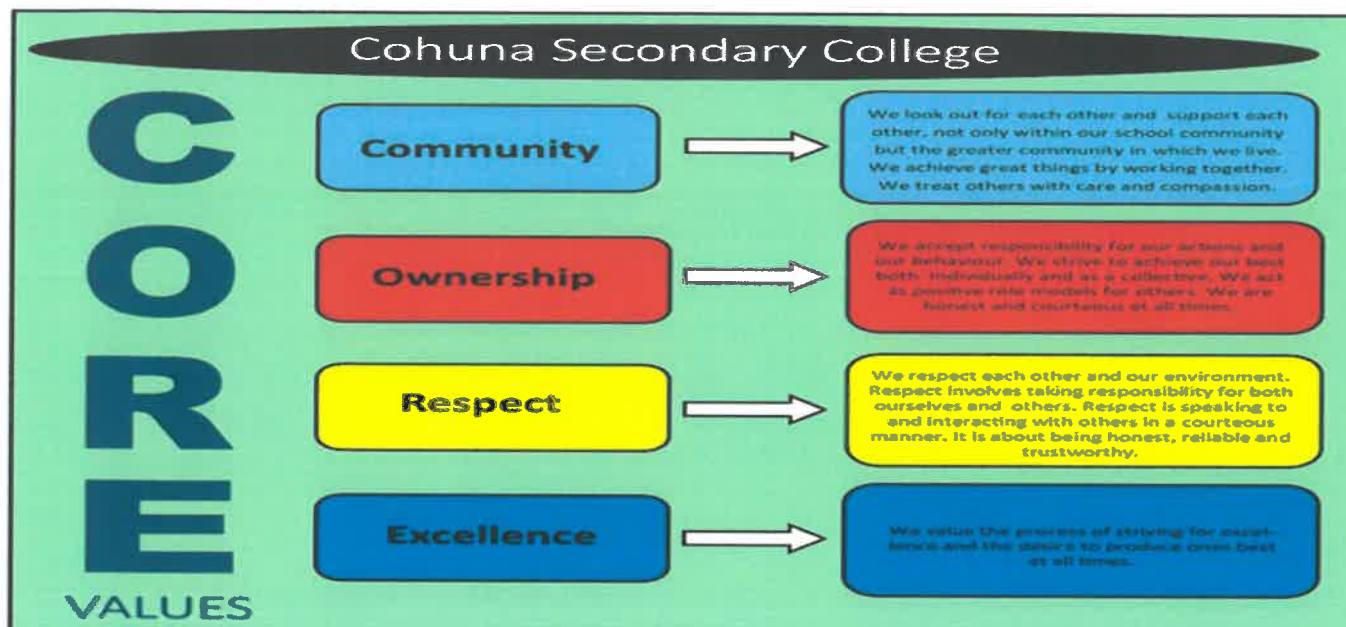

***This Information Booklet*** outlines the curriculum and the range of activities that we offer to you in 2024. We have a wonderful indoor and outdoor Learning Space for our Year 7 and 8 students. In this space you will have your classes for English, Humanities and Maths. One of the exciting things about secondary school is the new subjects that you have an opportunity to learn. These include: Home Economics, Science, Textiles, Woodwork, Visual Communication and Design, among others. In most cases you will go to specialist rooms, set up with all the right equipment and resources, for these new subjects.

**At Cohuna Secondary College** we have a great system for elearning, where each student has access to Netbooks with up-to-date educational programs for classroom use and if required, overnight borrowing. As part of our ICT strategy, we introduced a BYOD (Bring Your Own Device) program. This allows students to use both the Cohuna Secondary College ICT infrastructure, while also providing access to the same programs at home on their own device that they use at school. Each Year 7 class will also have access to interactive whiteboards, theatre room technology, scanning pens in the classroom, digital cameras and poly- com communication to support their learning journey.

We have the Year 7 camp at Geelong at the start of the year, in order for you to get to know students from other schools and form new friendships. Because we are a small school (as secondary schools go) we pride ourselves on looking after your wellbeing and supporting your development whatever your capabilities and future directions. While secondary school means becoming a little more independent in managing your own learning and belongings, there is much that is like primary school.

Our staff are friendly and want to assist you, we have a chaplain and counsellors to help you, and we run a Homework Club to help you manage your work.

**Together, we can excel!**

## Working Practices

- |  |  |
|--|--|
| <ul style="list-style-type: none"> <li>▪ Being punctual</li> <li>▪ Coming to class <i>ready to learn</i> with the correct books and/or equipment</li> <li>▪ Asking questions when not sure what to do</li> <li>▪ Using class-time productively by focusing attention on learning tasks</li> <li>▪ Striving for excellence in my work</li> <li>▪ Challenging myself with my learning choices</li> <li>▪ Contributing ideas to group work and discussions</li> <li>▪ Being organized, planning and managing my work</li> <li>▪ Being self-disciplined and considerate of others</li> <li>▪ Taking care with the format and quality of work</li> <li>▪ Checking, editing and proof-editing work</li> <li>▪ Presenting work that is complete and neat</li> <li>▪ Meeting all work timelines and due dates</li> </ul> | <ul style="list-style-type: none"> <li>▪ Completing all set homework</li> <li>▪ Taking care of the room environment, equipment, books and resources</li> <li>▪ Being considerate of others when moving between classes</li> <li>▪ Developing and extending my:-             <ul style="list-style-type: none"> <li>○ Communication skills eg. active listening, contributing ideas to discussions</li> <li>○ Social skills eg. sharing, empathizing, stopping others from putting people down</li> <li>○ Problem-solving skills eg. trying a range of strategies, thinking of alternatives</li> <li>○ Practical skills eg. accurately touch-type to 30 words per minute, weighing accurately, kicking goals with 60% accuracy etc.</li> <li>○ Organisational skills eg. keeping folders organised, using XUNO to keep track of dates</li> <li>○ IT skills eg. creating tables, making interactive webpages, using search engines efficiently, generating graphs from data</li> </ul> </li> </ul> |
|--|--|

**At Cohuna Secondary College we aim to create a respectful, caring and engaging environment that provides diverse opportunities for students to extend and expand their capabilities and strive for excellence.**

### **Respectful Relationships**

We understand that students reach their full potential only when they are happy, healthy and safe, and that a positive school culture helps to engage students and support them in their learning. Our Student Wellbeing focus aims to empower individuals and teams to enable a sense of connectedness, purpose and zest for life. We seek to help build self-confidence, self-esteem and resilience in order for our students to approach future life experiences, opportunities and challenges with self-assurance and energy.

### **Bullying and Harassment**

Our policy on bullying and harassment is based on mutual respect and restorative justice. Harassment and bullying seriously affect our wellbeing, and our educational, personal and social development. All members of our college community have the right to learn and work in a safe, caring and supportive environment, free from all forms of harassment and bullying. Students, teachers and parents each have a vital role to play in eliminating harassment and bullying from the College.

### **Bullying and harassment is any verbal, electronic or physical behaviour that includes:**

- Purposefully excluding another person;
- Discriminatory on the grounds of a person's race, sex, ethnicity or religion
- Unwelcome attention, repeated intimidating 'looks' or making false accusations;
- Threatening, offensive and/or intrusive behaviour;
- Put-downs, name-calling and/or spreading rumours about a person via talking, texting, phone calls, emails, graffiti, web-postings, writing notes, etc;
- Making comments about a person's sexual life or identity;
- Unwanted and unwelcome sexual attention and stalking; and/or
- Unwelcome physical contact (touching, pushing, hitting, kicking, etc.).

### **Restorative Practices:**

- *encourages students to appreciate the consequences of their actions upon others.*
- *enables students to make amends where their actions have harmed others.*
- *requires students to be accountable for their actions*
- *encourages respect for all concerned.*

### **Vision**

Cohuna Secondary College is committed to meeting the educational, social and cultural needs of the students through promoting a caring, supportive and educationally challenging environment that provides students with the opportunity to maximise their potential through providing a broad range of cultural activities and setting high academic standards. Our priority is to provide a safe, happy and engaging environment, with high expectations of student behaviour. We aim to build strong relationships amongst students, staff, parents and the wider community.

# Academic Curriculum in 2025

Form Assembly starts the day at 8:57am. Each day is broken into 6 periods of 50 minutes each. We have two periods before recess, two between recess and lunch, and two after lunch before the end of the day. This makes 30 periods for the whole week. The school day ends at 3:18pm.

In Year 7 and 8 there are no choices in the curriculum. This is so that all students can experience all options before making choices from Year 9.

## Core Curriculum for the whole year:

English	5 periods per week
Humanities (History and Geography)	3 periods per week
Digital Technology	2 periods per week
French OR	
Health & Resilience	2 periods per week
Extra English (reading)	1 period per week
Mathematics	5 periods per week
Physical Education	2 periods per week
Science	3 periods per week
Sport	1 periods per week

## Plus

### One Semester each of:

Art	2 periods per week
Materials & Technologies-Food	2 periods per week
Product Design & Technology (Wood)	2 periods per week
Technical Studies	2 periods per week
Materials & Technologies-Textiles	2 periods per week
Visual Communication & Design	2 periods per week

## Extra-Curricular Activities:

See the options in the back half of this Information Booklet.

---

## 2025 VICTORIAN SCHOOL TERM DATES

<b>TERM 1</b>	<b>Tuesday</b>	28 January (students start 29) - 4 April <b>(EASTER – Good Friday 18 April)</b>
<b>TERM 2</b>	<b>Tuesday</b>	22 April – 4 July
<b>TERM 3</b>	<b>Monday</b>	21 July – 19 September
<b>TERM 4</b>	<b>Monday</b>	6 October – 19 December

**Description:**

Students engage with a variety of texts for enjoyment. They listen to, read, view, interpret, evaluate, and perform a range of spoken, written and multimodal texts in which the primary purpose is aesthetic, as well as texts designed to inform and persuade. These include various types of media texts including newspapers, magazines and digital texts, early adolescent, and non-fiction novels. Students develop their understanding of how texts, including media texts, are influenced by context, purpose, and audience.

Students create a range of imaginative, and persuasive types of texts, for example narratives, and discussions, and are beginning to create literary analyses and transformations of texts.

**Achievement Standard:**

**Reading and Viewing**

Students understand how text structures can influence the complexity of a text and are dependent on audience, purpose, and context. They demonstrate understanding how the choice of language features, images and vocabulary affects meaning. They explain issues and ideas from a variety of sources, analysing supporting evidence and implied meaning. They select specific details from texts to develop their own response, recognizing that texts reflect different viewpoints.

**Writing**

Students understand how the selection of a variety of language features can influence an audience. They understand how to draw on personal knowledge, textual analysis and other sources to express or challenge a point of view. They create structures and coherent texts for a range of purposes and audiences. When creating and editing texts they demonstrate understanding of grammar, use a variety of more specialized vocabulary, use accurate spelling and punctuation.

**Speaking and Listening**

Students listen for and explain different perspectives in texts. They understand how the selection of a variety of language features can influence an audience. They understand how to draw on personal knowledge, textual analysis and other sources to express or challenge a point of view. They create texts showing how language features and images from other texts can be combined for effect. They make presentations and contribute actively to class and group discussions, using language features to engage the audience.

**Novels:**

- Hatchet by Gary Paulsen
- The Schoolmaster's Daughter by Jackie French (this novel may change for 2025)
- Library books for independent reading

**Assessment:**

1. Writing samples—creative writing, text response, and analytical (persuasive)
2. Oral Communication
3. PAT-R test (comprehension)
4. STAR comprehension assessment

5 periods per week

Contact Person: Mr Shannon Treacy/Mr Jordan Cole

**Geography:**

Students examine the processes that influence the characteristics of places. They consider spatial distributions and patterns and their implications and consider interconnections between and within places and changes resulting from these. This further develops their understanding of geographical concepts, including place, space and interconnection.

Students' conceptual thinking is developed through four sub-strands:

Year 7:

1. Water in the world (including map drawing)
2. Place and livability

Year 8:

1. Landforms and landscapes
2. Changing nations

**Achievement Standard:**

**Place, space and interconnection**

Explain processes that influence the characteristics of places. Identify, analyse and explain spatial distributions and patterns and identify and explain their implications.

**Water in the world**

Classification of environmental resources and the forms that water takes as a resource. Ways that flows of water connect places as they move through the environment and the ways this affects places.

**Place and livability**

Factors that influence the decisions people make about where to live and their perceptions of the livability of places. Environmental, economic and social measures used to evaluate places for their livability, comparing two different places.

**Landforms and landscapes**

Different types of landscapes and their distinctive landform features. The difference in at least one landform in Australia compared to other places and the geomorphic processes involved.

**Changing nations**

The causes and consequences of urbanization, drawing on a study from Indonesia. The causes and consequences of urban concentration and urban settlement patterns between Australia and the United States of America and reasons for these similarities and differences.

**Assessment:**

1. Mapping – reading, analysing and creating.
2. Drawing to scale, using the correct terms.
3. General Geography knowledge and skills.

**3 periods per week (half year)**

Contact Person: **Mr Shannon Treacy/Mr Jordan Cole**

**History:**

Students study history from the time of the earliest human communities to the end of the ancient period, approximately 60 000 BC. It also covers the period from the end of the ancient period to the beginning of the modern period, when major civilisations around the world came into contact with each other. Social, economic, religious, and political beliefs were often challenged and significantly changed.

Students will consider historical aspects of our works and explore topics such as:

1. Indigenous Australia
2. Ancient Greece or Ancient Egypt

**Key questions:**

- How do we know about the ancient past?
- Why and where did the earliest societies develop?
- What emerged as the defining characteristics of ancient societies?
- How did societies change from the end of the ancient period to the beginning of the modern age?
- What key beliefs and values emerged and how did they influence societies?

**Achievement Standard:****Chronology**

Sequence significant events in chronological order to analyse the causes and effects and identify continuities and change.

**Historical sources as evidence**

Analyse and corroborate sources and ask questions about their accuracy, usefulness and reliability.

**Historical Knowledge:****Aboriginal and Torres Strait Islander peoples and cultures**

How physical or geographical features influenced the development of Aboriginal and Torres Strait Islander peoples' communities, foundational stories and land management practices.

The significant beliefs, values and practices of Aboriginal and Torres Strait Islander peoples and cultures including trade with other communities, causes and effects of warfare, and death and funerary customs.

**Assessment:**

1. Assignments
2. Practical work

3 periods per week (half year)

Contact Person: Mr Shannon Treacy/Mr Jordan Cole

**Description:**

Students analyse the properties of networked systems and their suitability and use for the transmission of data types. They acquire, analyse, validate, and evaluate various types of data, and appreciate the complexities of storing and transmitting that data to digital systems.

Students use structured data to model objects and events that shape the communities they actively engage.

**Achievement Standard:**

Students distinguish between different types of networks and their suitability in meeting defined purposes.

Students explain how text, image and sound data can be represented and secured in digital systems and presented using digital systems.

Students will use a variety of programs (software) to solve communication problems.

- Safety using computers.
- Design a room using Visio.
- Create a digital portfolio.
- Explore what happens inside a computer.
- Complete a variety of programming tasks.

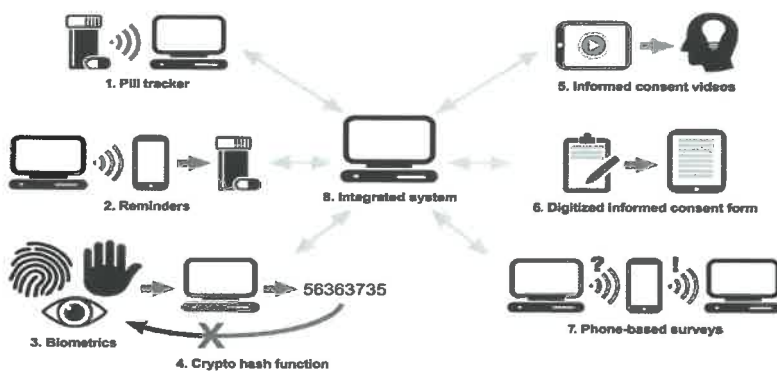

**Assessment:**

1. Active participation
2. Improvement in skills
3. Completed Projects
4. Class contributions

**2 periods per week**

Contact Person: **Mrs Debbie Clifford**

## LOTE (Language other than English)

### Description:

Students become familiar with the sounds of French, including pronunciation, rhythm, pitch and stress. They recognize similarities with many English words, noting differences in pronunciation. They approximate the pronunciation and phrasing of single words and short phrases, including vowel sounds such as -eau, -on, -ere and u, and unfamiliar consonants such as r and soft g. They understand and apply elements of French grammar such as subject-verb-object word order. Students are encouraged to listen to, speak, read and write French in a range of interactions with the teacher and each other.

### Achievement Standard:

#### Communicating

Students will interact with each other and their teacher to exchange information and opinions, talk about self, family, friends and interests, and express feelings, likes and dislikes.

#### Understanding:

Recognise and use features of the French sound system, including pitch, rhythm, stress and intonation. Understand and use elements of the French grammatical system, including word order, gender and number variations, and present and compound forms of regular and some irregular verbs.

Possible topics for this core subject include:

- Greetings
- Talking about food and French cuisine
- Self-introductions and talking about family
- Culture and traditions of France and the Francophonie world

### Assessment:

1. Oral communication
2. Reading French
3. Writing French
4. Listening skills

2 periods per week

Contact Person: Miss Aimee Page

rouge		red
orange		orange
jaune		yellow
vert		green
bleu		blue

Throughout Year 7 Mathematics, emphasis is placed on developing fluency in basic mathematical operations, fostering conceptual understanding, and promoting problem-solving abilities. The curriculum aims to build a solid mathematical foundation while encouraging students to think critically, creatively, and collaboratively.

**At Cohuna Secondary College**, we use a program called Maths Pathway. This student-focused program focuses on supporting your child at their level of understanding in the three strands of Numeracy and Algebra, Measurement and Geometry, and Probability and Statistics.

**Assessment:**

1. Four stage diagnostic testing
2. Fortnightly tests
3. PAT-R test (comprehension)

5 periods per week

Contact Person: Mrs Kristie Pollock

**Description:**

In Year 7 Resilience and Health Class, students focus on development their emotional self-management and the ability to recognize the characteristics of respectful relationships in a range of contexts. Students learn about personal values and the importance of developing and supporting their wellbeing and that of others.

The program works in partnership with The Resilience Project and focuses on three key pillars of Gratitude, Empathy and Mindfulness.

Student also engage in Health Units which consist of Puberty and Hygiene Development and Cyber safety.

**Embedded in our curriculum in-conjunction with Health**

**Focuses on the Three Key Pillars:**

1. Gratitude,
2. Empathy, and
3. Mindfulness

**Incorporates:**

- Connection,
- Purpose,
- Kindness,
- Emotional Literacy,
- Physical Health
- Respectful Relationships

**Puberty, personal hygiene and development**

**Cybersafety**

1 period per week

Contact Person: **Mrs Sallie Hawken**

### Description:

In Year 7 the curriculum focus is on explaining phenomena involving science and its applications. Students explain the role of classification in ordering and organizing information about living and non-living things. They classify the diversity of life on Earth into major taxonomic groups and consider how the classification of renewable and non-renewable resources depends on the timescale considered. Students classify different forms of energy, and describe the role of energy in causing change in systems, including the role of heat and kinetic energy in the rock cycle. They use and develop models including food chains, food webs and the water cycle to represent and analyse the flow of energy and matter through ecosystems and explore the impact of changing components with these systems. Students investigate relationships in the Earth-Sun-Moon system and use models to predict and explain astronomical phenomena. They explain changes in an object's motion by considering the interaction between multiple forces. They make predictions and propose explanations, drawing on evidence to support their views.

### Achievement Standard:

#### Biological sciences

There are differences within and between groups of organisms; classification helps organize this diversity. Cells are the basic units of living things and have specialized structures and functions.

- Classification of Organisms and dichotomous keys
- Ecosystems
- Relationships such as food chains

#### Chemical sciences

Mixtures, including solutions, contain a combination of pure substances that can be separated using a range of techniques. The properties of the different states of matter can be explained in terms of the motion and arrangement of particles.

- Pure substances and mixtures
- Separating substances

#### Earth and space sciences

Predictable phenomena on Earth, including seasons and eclipses, are caused by the relative positions of the Sun, Earth, and the Moon.

- Our place in space
- 'Renewable and non-renewable resources
- The water cycle

#### Physical sciences

Change to an object's motion is caused by unbalanced forces acting on the object; Earth's gravity pulls objects towards the centre of Earth. Energy appears in different forms including movement (kinetic energy), heat, light, chemical energy, and potential energy; devices can change energy from one form to another.

- Forces
- Putting forces to work—machines

### Assessment:

1. Practical reports
2. Common Assessment Tasks (CATs) in the form of assignments and tests.
3. PAT-R test (comprehension)

3 periods per week

Contact Person: Ms Jorja Forster/Mrs Tienielle Edge

## SPORTING EVENTS:

ALL students will participate in regular weekly sports and PE periods you will also be able to participate in events such as:

- **Swimming Sports**
- **Summer Sports**  
(Basketball, Cricket, Lawn Bowls, Table Tennis, Tennis, Volleyball)
- **Cross Country**
- **Winter Sports**  
(Badminton, Clay Target Shooting, Football, Netball, Soccer)
- **Clay Target Shooting**
- **Athletics Sports**

These provide opportunities for you to represent your House and/or School as you compete at Inter-School and potentially further to Regional and State level.

*It is a requirement for ALL STUDENTS to wear the CSC sports polo to all representative sports, which are available for purchase at \$30 each from the General Office.*

### House Teams:

**DHUNGALA**     **Orange**

**YARRAN**     **Green**

**Term 1:** House Swimming  
Loddon Mallee Zone Swimming  
Summer Sports

**Term 2:** House Cross-Country  
Loddon Mallee Zone Cross-Country  
Winter Sports

**Term 3:** House Athletics  
Loddon Mallee Zone Athletics

**2 periods per week**

Contact Person: **Mr Brad Murray**

# ART

In this semester subject, you will further develop your artistic abilities. You will develop knowledge of a range of art styles and art forms. Your folio pieces will focus on exploring a range of materials, techniques and ideas.

## Assessment:

- Sketchbook – design & development of Art
- Folio of finished art works
- Analysis of art works

**One Semester:** 2 periods per week

Contact Person: **Mrs Rachel Spence**

# MATERIAL AND TECHNOLOGIES-Food

In this semester subject, you will develop skills in food preparation, meal management and basic nutrition. You will work individually, in pairs and sometimes in groups when planning and completing your food activities. Team work, co-operation and getting along with peers is an integral component of all Home Economic classes.

Topics include:

1. Safety and hygiene
2. Basic Nutrition
3. Use of a variety of tools and utensils.
4. Preparation of a variety of meals and baked products.

## Assessment:

- Reading and following a written recipe
- Completion of Home Economics activities
- Completion of Practical Activities
- Correct use of tools and utensils
- Safe hygienic work habits

**One Semester:** 2 periods per week

Contact Person: **Mrs Debbie Clifford**

# MATERIAL AND TECHNOLOGIES-Textiles

In this semester length subject, you will experience a variety of textiles art forms such as dyeing, fabric painting and image transfer as well as machine sewing.

## Assessment:

- Demonstrate and use correct subject based technology
- Completion of 6 decorative panels which will be used to construct a Tote bag
- Machine sewing

**One Semester:** 2 periods per week

Contact Person: **Mrs Debbie Clifford**

# PRODUCT DESIGN & TECHNOLOGIES-Wood

During the semester, you will learn the skills necessary to plan and successfully complete a wide range of projects.

You will be given the opportunity to develop:

1. • A wide range of hand skills
2. • A knowledge of tools and their correct use
3. • Working drawing skills
4. • Safe working practices and complete an OH&S Booklet

## Assessment:

- Demonstrate the ability to measure and mark out wood
- Finishing off skills: sanding, varnishing
- Assignment on a related topic
- A self-assessment of your product

**One Semester:** 2 periods per week

Contact Person: **Mr Chris Hill**

# SYSTEMS ENGINEERING

During the semester, you will learn about the environment and the use of plastics in the world today. You will be required to develop safe working practices and complete an OH&S Booklet (if not already done so in Wood).

## Assessment:

- A range of assignments
- Marking and measuring skills
- General hand skills in assembling your models
- A self-assessment of your product

**One Semester:** 2 periods per week

Contact Person: **Mr Matt Hill**

# VISUAL COMMUNICATION and DESIGN

In this semester, you will be introduced to the design world. You will learn to think and communicate visually. You will build a folio of work based on the use of the Design Elements.

## Assessment:

- Technical drawing tasks
- Design tasks including a package and poster design
- Skill development

**One Semester:** 2 periods per week

Contact Person: **Mr Chris Hill**

## Building Confidence through Excitement and Creativity .....

### **EXTRA-CURRICULAR ACTIVITIES:**

You have many opportunities to participate in extra-curricular activities. These include aspects like Music, Performing Arts (Theatre Restaurant) and Public Speaking.

### **INSTRUMENTAL MUSIC & COLLEGE BAND:**

Music is a very rewarding and enjoyable part of the curriculum at our school. The College offers a program, which gives you the opportunity to learn and enjoy an instrument of your choice.

You can choose from a range of Piano/keyboard, Guitar, Woodwind and Percussion instruments. These instruments are **FREE** for students to borrow whilst in the program through the school.

The program includes one music lesson per week during class time. This period is on a rotational basis so that you do not miss the same class each week.

Joining the instrumental program gives you the opportunity to participate in the School Band and in Ensembles, gaining great music skills and developing confidence in your performance abilities.

## THEATRE RESTAURANT:

In past years we have had two major performing arts events. In the “even” years (2020, 2022 etc) we have the Theatre Restaurant. Students from all year levels have an opportunity to showcase (or develop) their talents and become part of a great team.

In 2024 we anticipate having a Theatre Restaurant production, so please consider auditioning for a part – or perhaps helping backstage.

This is a fantastic event for those students who become involved: building confidence, learning new skills and challenging yourself to make new friends across all year levels.

## PUBLIC SPEAKING:

Each year you will have an opportunity to develop your public speaking.

We compete against each other in our class, to perfect our public speaking skills.

Also, the Lions Youth of The Year (for senior students) is supported by Public Speaking events for junior students.

These are useful skills to have and you can take up the challenge of putting yourself in front of an audience.

## SPORTING ACTIVITIES:

See Page 16 for the wide range of sports you will have access to at this school.

Cohuna Secondary College students excel in sports – and we have had State champions and State representatives in a range of sports.

It is a requirement for ALL STUDENTS to wear the CSC sports polo to all representative sports.

**\*\* The CSC sports polo is available for purchase from the office @ \$30.00 each.**

## NETWORK PROGRAM :

As part of our ICT strategy, we introduced a BYOD (Bring Your Own Device) program. This allows students to use both the Cohuna Secondary College ICT infrastructure, while also providing access to the same programs at home that they use at school. The College will still maintain a computer lab and a supply of netbooks for borrowing by students for class use who do not wish to provide their own device or, whose own device is not functioning.

To maintain the efficient functioning of the college network minimum specifications:

- o 11.6 inch screen
- o Windows 10 capable
- o WiFi capable
- o Core i5 processor or better processor
- o Capable of 8 hours use after full charge.
- o Storage bag
- o Min 4GB Ram
- o 128GB SSD (Hard drive space)
- o No Chromebook (not windows capable and will not run school software)
- o MacBooks are not preferred for students (*Only VCE students of VCD or Art may bring a MacBook as our Windows network will not easily accommodate macs.*)

Like your primary school, we have a wireless network so that work is saved in your own folder on the server and can be accessed from anywhere in the school.

*To receive the education department licenced software, to freely use on School owned, leased and 'bring your own' devices (BYOD) in Victorian government Secondary schools the devices must be registered on the School Computer census and the software removed should the student member leave the school.*

**FamilyZone** is cyber safety software installed on all student computers here at Cohuna Secondary College to provide internet content filtering during school time and works in addition to the existing security measures on the CSC network when at school.

FamilyZone provides controls on their learning device to keep our students safe online, and free from distractions regardless of where they are located during normal school hours.

## CHAPLAIN AND COUNSELLORS:

We are at present seeking a new Chaplain, who is at school on 2 of the 5 days per week. You will be able to make an appointment for a chat. The Chaplain likes to get to know all our new students - so will work alongside you in some of your technology classes.

We have a Social Worker, Ms Sacha Keir here for one day each week and an Art Therapist, Mrs Lyndsey Quinlan for three days a week, and a referral form from parent/guardian is required for either appointment.

## GEELONG CAMP:

In mid February/early March you will go to Geelong for the Year 7 Orientation Camp (3 days and 2 nights). While it is a great time to enjoy the summer weather at the beach and visit some great sites; Werribee Zoo, surfing, bounce and wall climbing, is also a time to get to know your teachers and new friends in a relaxed setting.

## LIBRARY:

The Library is opened for ALL students at lunch from 1:00pm onwards and after school until 3:30pm. ALL are welcome!

**Students in Year 7 begin the Renaissance Accelerator Reading program which is designed to encourage and foster a love of reading.**

Books in the Library are coded into various genres and levels to enable students to choose their own books based on interest. After students have completed the book, they will undertake an online quiz, which highlights comprehension, extends student learning and accelerates growth.

Students are issued a LIBRARY CARD at the start of the year which they can use to borrow books and netbooks/laptops. Books may be borrowed for a period of TWO WEEKS, the books then should be returned or renewed for a further two week period.

A selection of magazines are also available for borrowing.

***If there are any problems please see Mrs Donehue for help.***

Unfortunately, lost books have to be replaced, and, if a student loses a book, he/she will be asked to pay for a replacement copy. A refund will be given if the lost book is found and returned in good condition.

Computers are available for student use using their Library card, from which they can access the Internet, Library catalogue and classroom programs. The computers are for educational use only. They cannot be used for surfing the net or playing games.

Students may print to photocopiers around the school in the Library, the Science room, the Art room and Room 8. Students can pay for credit to their papercut account from the Front office.

## SCHOOL UNIFORM:

Students not in uniform should have a note signed by their parent/guardian with the reason for being out of uniform provided. A uniform pass must be obtained before period 1.

### *For both girls and boys:*

1. Shirt: School navy polo shirt with logo for boys and girls, can be purchased from CSC school office. Year 11/12 students may wear their special VCE jumper.
2. Jumper or Windcheater: Navy blue school jumper with logo or navy blue windcheater with school logo (optional) and no visible brand name. VCE/VCAL students wear their uniquely designed jumper.
3. Socks: Plain white, grey, beige, black or navy.
4. Shoes: Sturdy black shoes or sandals in summer (no ballets or thongs). Covered leather shoes are required in practical classes.
5. Sport/PE clothes: A change of clothes is required for sport/PE – usually a T-shirt and shorts. Cohuna Secondary College PE/Sport polo tops are available for purchase during the year.
6. Hats: A wide-brimmed hat, or cap, is encouraged for all outdoor activities, including lunchtime. Hats may be navy, beige, white or pale blue, with no visible logo or slogan.
7. Jewellery.

Only one of each of the following is permitted: earrings, ring, bracelet and necklace. Earrings must be sleepers or studs only. No more than 2 ear-piercings per ear. No facial piercings/jewellery at all.

### *For girls:*

1. Summer Dress: “A” line uniform, mid-knee, notched collar, princess seams, side pocket, above elbow sleeves with biased bands, tab front and button opening in the school material. Dress and skirt hems should be of modest length. (Deemed suitable by Year level coordinators.)
2. Winter Skirt: Navy blue gabardine or wool-blend, two inverted pleats, front and back with side pocket and zipper and expandable waist. Dress and skirt hems should be of modest length. (Deemed suitable by Year level coordinators.)
3. Shorts and Trousers: Navy blue shorts with logo (purchased through the College), drill cotton, gabardine, wool-mix or polyester material with no visible brand name or logo. The inside leg measurement of the shorts must be a minimum of 20cm. School shorts are permitted for day wear and for PE/Sport.
4. Tights: Navy blue tights.
5. Hair: Navy or pale blue, black or white ribbons or headbands may be worn.

### *For boys:*

1. Shorts (can be school shorts with logo) and/or Trousers: Grey gabardine shorts or long pants.

**With the introduction of Camps, Schools and Excursion Funding (CSEF), there is also help with a SSR Year 7 Uniform Package for eligible students through State Schools Relief. For more information, contact the CSC Business Manager.**

### **Valuables**

The college does not accept responsibility for any lost or stolen articles. CSC strongly advises students not to bring iPods, phones, or large sums of money to school. Any large sums of money should be handed in to the General Office for safekeeping. Students should not be given large sums of money to spend at the canteen.

### **Visitors to the College**

All visitors are expected to sign in using PASSTAB in the General Office. The college does not permit friends or students from other colleges to visit during school days without prior approval from the Assistant Principal.

### **Violence**

Violent behaviour will not be tolerated, and suspension will be the consequence.

## OTHER IMPORTANT INFORMATION:

Our **FACILITIES** are very modern and well maintained. Our Science rooms and Home Economics and Visual Arts areas are state-of-the-art. Our computer wireless network is the envy of other schools and we have one computer for every student in the school, as well as a BYOD program. We have a large Theatre Room, and Music practice rooms. We have a Chaplains' office and a cosy sick bay. Our Canteen offers a range of healthy foods and regular "specials" every recess and lunchtime (you should order your food to get what you want).

The **TIMETABLE** varies from day-to-day and for first and second semester. It is divided into 6 periods, two before recess, two between recess and lunch, and two after lunch (each is 50 minutes long).

### **8:45 Staff Briefing**

8:52 Music commences

### **8:57 Bell. Form Assembly—Monday: General Assembly**

9:00 **Bell.** Period 1

9:50 **Bell.** Period 2

### **10:40 Bell. RECESS**

11:00 Music commences

11:05 **Bell.** Period 3

11:55 **Bell.** Period 4

### **12:45 Bell. LUNCH**

1:30 Music commences

1:35 **Bell.** Period 5

2:25 **Bell.** Period 6

3:15 **Bell. Form Assembly**

3:18 **Bell. DISMISSED.**

**DAILY NEWS:** prepared daily for XUNO platform and for staff to access and read out at form assemblies.

We do expect you to do regular **HOMEWORK** and the **Homework Club** after school on Wednesdays is open to all. We can help you with set homework or we can give you extra teaching in specific aspects that you need to further develop.

Your **BOOKLIST** orders and payment are submitted online with *Campion* in early December and they will be ready for collection in mid January before school starts.

Your school **UNIFORM** is described in this Booklet and can be purchased from Cohuna Secondary College uniform sales. Shoes are available at *Kazz's Heels*.

It is important that students wear solid black shoes. No student will be allowed to do their technology subjects without them. A **Uniform Pass** can be issued to you if, for some reason, an item of the uniform cannot be worn (e.g. the jumper is still wet or the correct shoes are broken). You need to ask your Year Level Coordinator (Mrs Kristie Pollock for Year 7) for a Uniform Pass for that day.

If you are **LATE to school**, you should report into the Front Office, no late passes given out just recorded on XUNO as 'late arrival' and to get marked present for the day OR, if you are late to a class, the same applies – go to the Front Office.

**PASSTAB** the electronic sign in/sign out system in the front office, to be used when leaving/returning to school during the day.

A **BUS PASS** can be arranged by bringing a note from home for the Assistant Principal, Ms. Payne. This is for an unusual event when you need to travel on a (different) bus to normal.

If you live in the town, you can bring a note requesting a **LUNCH PASS**. This is only to walk from school to home and back again - not to go down the street. You must sign out (and back in again) at the Front Office if you use a Lunch Pass. These passes are available from Ms. Payne.

Sometimes, you might need to go down the street to pick up an item for the family (this usually only applies to Bus Travellers). In that case you can bring a note from home for the Assistant Principal, Ms. Payne and request a **STREET PASS**. These will NOT be issued to buy lunch down the street.

Almost all the staff are qualified in **FIRST AID** and so when you are **SICK OR INJURED** you should report to a teacher, at the staffroom, who will sign you into Sick Bay. If you do not get better, your family will be contacted. We do NOT want you to text/ email your family, first! Similarly, if you have a **MEDICAL OR DENTAL APPOINTMENT** you will need to bring a note and sign out at the front office before you leave school. Families: please don't text reminders as we can get the student for you - and it contravenes our Mobile Phone Policy!

**NOTICE**

**NO  
MOBILE  
PHONES  
ALLOWED**

**MOBILE PHONES**, in line with Department of Education Policy, mobile phones are banned from the classroom.

If you bring your phone to school, it will be placed in a Year level storage box at morning assembly and returned to you at assembly at 3:15pm.

*Students with a medical condition will be required to obtain permission from Mrs. Miller to have their phones with them.*

## More Opportunities - in later years:

We offer a **Student Voice and Leadership program in Year 9**; we have many excursions to Melbourne and other places for Performing Arts, Exhibitions etc.; trips to Bogong and so on; in Year 10 you will do Work Experience to test out a range of future careers and a range of Pathways information sessions as well as individual pathway planning. and . . . there is much to look forward to in later years at Cohuna Secondary College!

*We also have exciting technology in our Tech Department - 3D printers for student use.*

**Canteen:** is available *Monday/Tuesday* and *Thursday/Friday* with *Wednesday* only snacks will be sold in the canteen, which is open at the beginning of the day from 8:30am then again at recess and lunchtime only. *We have an eftpos machine available in the Canteen for your purchases.*

Students are to order their lunch prior to classes commencing or at recess.

The canteen is run by our Canteen Manager, Mrs Jodie Robinson together with parent volunteers.

**PLEASE NOTE:** Students will not be permitted to go down the street to purchase lunch.

COHUNA SECONDARY COLLEGE  
"Excellence - Let Us Educate"

**Facebook** (<https://www.facebook.com/cohunasc>)

**Webpage** (<https://www.cohuna-sc.vic.edu.au>) for Upcoming Events, Publications, Quick links.

### Parent/Student Interviews:

The **first round** of Parent/Teacher/Student interviews commence at the end of Term 1 and the **second round** in Term 3. Parents will be advised of the day/date and times, no bookings necessary.

Go to [www.cohuna-sc.vic.edu.au](http://www.cohuna-sc.vic.edu.au) and follow these simple instructions.

When students are absent from the College, planned or unplanned; parents are required by the Department of Education to contact the Office stating a reason why. *Our preferred absence contact option is Xuno.*

This app can be downloaded onto mobile phones, ipads & desktop computers.  
Search your app store for *CSC*.

**Individual timetables** can also be sourced using XUNO log in.

**Family Charges, Newsletters and Daily News** will also be posted on Xuno.

### Student Learning Items

**CORE subject** resources are FREE (English, Humanities, LOTE-French, Health & PE, Mathematics, Science and Sports).

**Curriculum Contributions:** charging as per family XUNO account.

**Extra-Curriculum Items & Activities:** ALL camps, combination lock and school magazine - Meander.

**Other Contributions:** ICT equipment and support, Grounds/Library maintenance and the Welfare program.

*Payments can be made via XUNO, Bpay/Direct Debit or Cash/Eftpos in the office.*

*Community—Ownership—Respect—Excellence*

*Excellamus: Let us excel*

Dear parent/guardian,

*Cohuna Secondary College* is looking forward to another great year of teaching and learning and would like to advise you of *Cohuna Secondary College's* voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to *e.g. a wider offering of subjects and special curriculum experiences including upgrade of our technology equipment; more class sets of text books so parents don't have to supply, enhanced digital learning opportunities; faster WIFI and internet service.*

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

*FIONA MILLER, Principal*

MATTHEW HAWKEN, School Council President

Curriculum Contributions - items and activities that students use, or participate in, to access the Curriculum		Amount
Year 7 Student ID Card		\$5.00
<b>Year 7 classroom consumables, materials &amp; equipment</b> <ul style="list-style-type: none"> <li>Art – paint, crayons, canvas, glitter, coloured paper (\$25.00)</li> <li>Materials &amp; Technology—Food –flour, butter, fruit, vegetables, meat, rice, pasta (\$30.00)</li> <li>Systems Engineering—cd for clock face, batteries, aluminium &amp; acrylic (\$30.00)</li> <li>Materials &amp; Technology—Textiles—fabrics, paints, thread, zip &amp; interfacing (\$30.00)</li> <li>PD&amp;T—Wood—nz pine, dowels, nails &amp; varnish (\$30.00)</li> <li>VCD– lino sheets, special drawing paper, paints, crayons (\$25.00)</li> </ul>		\$170.00

**Educational items for students to own:**

Attached is a Booklist of items that the school recommends you purchase from **Campion Education** for your child to individually own and use. *Booklists are required to be purchased online by each individual @ [www.campion.com.au](http://www.campion.com.au) and paid for when ordering. Orders due by 15th December 2023 and collected at Cohuna Secondary College on Tuesday 23rd January 2024.*

**Payment methods:**

*XUNO (using family log in) or Eftpos/Cash to the College*

**Refunds:**

*Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy and any other relevant information.*

**Financial Support for Families:**

**Cohuna Secondary College** understands that some families may experience financial difficulty and offers a range of support options, including:

- ⇒ Camps, Sports and Excursions Fund (CSEF for eligible parents/carers)
- ⇒ SSR (State School Relief Fund) to support families with uniforms
- ⇒ Families can also begin a payment plan ie. \$10.00 per week/fortnight via XUNO

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, contact:

**Bernadette Penglase, Business Manager**

Ph: 03 5456 2555 | Email: [Bernadette.Penglase@education.vic.gov.au](mailto:Bernadette.Penglase@education.vic.gov.au)

# PARENT PAYMENTS POLICY

## ONE PAGE OVERVIEW

### FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

### PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

#### Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

#### Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

#### Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

### FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

### SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.

**EXCELLAMUS - Let us Excel**

At Cohuna Secondary College we:

- Treat all people with respect;
  - Actively engage in diverse learning experiences;
  - Create and utilise opportunities to enhance our capabilities;
  - Care for and support each other within the school and the wider community;
- and
- Strive for excellence in all that we do.
